## SUMMARY

Passionate Frontend Developer skilled in HTML, CSS, and JavaScript. Quick learner and problem solver, driven to create web experiences that help users and businesses reach their objectives. Always eager to explore new technologies and innovative approaches.

## TECHNICAL SKILLS

**Languages:** HTML, CSS, JavaScript | **Libraries/Frameworks:** React, jQuery, Bootstrap | **Tools:** Git, VS Code, Figma, Chrome DevTools, Git Bash

## TECHNICAL PROJECTS

### Portfolio Website | Frontend Developer

*A personal portfolio website showcasing my projects and skills.*

- Developed the full frontend using **HTML, CSS, and JavaScript** to create a responsive and interactive user experience.
- Implemented smooth navigation, animations, and interactive elements to enhance usability.
- Optimized the layout for desktop and mobile devices using **CSS media queries** to ensure full responsiveness.

### Qaren Website | UI/UX Designer | [Behance Link](#)

*Designed a modern and user-friendly interface for the Qaren e-commerce platform.*

- Created high-fidelity wireframes and prototypes using **Adobe XD** to enhance user experience and streamline navigation.
- Developed a cohesive design system, including color schemes, typography, and UI components, ensuring consistency across the platform.
- Focused on accessibility and mobile responsiveness to provide an inclusive experience for all users.

## EDUCATION

### UNIVERSITY Of Palestine | Information Technology | Palestine

- *Relevant Coursework: Web Development, Information Science, User Interface Design.*

### Full Stack Developer Bootcamp, Axsos Academy, Palestine

2025

- A part-time immersive training program in web fundamentals, Python, algorithms, and data structures. The Bootcamp includes 20 weeks of programming as the following: +620 coding hours in total, 50 hours pre-boot camp, 120 hrs web fundamentals, 240 hrs Python, 60 hours of algorithms and data structures, 60 hours of 2 complete projects (Solo & Group). All stacks include group activities and leet-code and HackerRank.

### UI/UX Design, VISION PLUS, Palestine

2021

- Covered Figma, Adobe XD, Balsamiq, wireframing, prototyping, and user-friendly design principles.

## PROFESSIONAL EXPERIENCE

### UI/UX Mentor | Vision Plus | Palestine

2021-2023

- Guided students in UI design by assigning tasks and reviewing their work, fostering practical design skills.
- Provided constructive feedback to help students improve layouts, usability, and visual consistency.
- Developed mentoring and communication skills while managing multiple students' progress efficiently.
